When dropping off or picking up your child from school, please **DO NOT** park on any part of the painted yellow lines or zigzag crossings. These lines are there to protect your child's safety. Can we also request that the Staff Car Park entrance is not used for reversing or making any u-turns in the road. Please use the roundabout at the end of Meir Road if you wish to turn around. We have also had a number of complaints from local residents that cars are obstructing their drive ways! Our concern is the safety and wellbeing of our children around the school site.

Please remind your children that they should only be using pedestrian zebra crossings, when crossing over a road.

## Strider visits Alexandra Junior School

To encourage a healthier lifestyle and reduce the number of cars outside school, we are encouraging children to take part in the 'Walk to School' Project. The aim is for children to walk or part walk their way to school, if they usually arrive by car. Children who have been able to 'Walk to School' will earn badges. To promote Walking to School, the children received a visit from Strider, the scheme's mascot.

## Travelling Back In Time to Ancient Egypt

Educational Specialists 'Portals of the Past' came into school on Thursday, 19<sup>th</sup> September 2019 and Year 3 travelled back in time to Ancient Egypt. The children experienced a wide range of activities in the morning, taking a journey down the River Nile, playing Egyptian games and learning about life and death and mummification. In the maths activity, pupils had to measure various distances using royal cubits, palms and fingers. The children had lots of fun taking part in a Royal Egyptian burial. The most memorable part of the day was the mummification of the pharaoh after lunch. Later in the afternoon, the children took part in the funeral procession of the pharaoh. It was a day of colour, gruesome details, much excitement and learning fun facts!
