School Meal Price Increase

The school uses the services of City Catering to ensure a nutritious lunch is provided for all children who wish to take it. Due to the current economic climate and the increase of the National minimum Wage and other factors this has now impacted on our meal charges. Due to the increase in charges to the school for the meals we have no option but to increase the meal cost. Currently meal charges are £2.40 per day, £12.00 per week. As of **Monday, 19th April, 2021** meal charges will increase to **£2.42 per day, £12.10 per week.**
