Dr Ralf Müller  
Headteacher

25th June 2021

Dear Parents and Carers,

Important Covid updates to keep our Families Safe

To reduce the risk of COVID-19 spreading, the Local Authority have drawn up a list of recommendations:

- Hands Face Space and Fresh Air
- Restrict the number of people you have any close contact with – particularly people you don't know well
- Get home testing kits and test the whole family at least twice a week (and record the results on line)
- Get a test and isolate if you have any of the classic symptoms
- Get vaccinated as soon as you can if offered the jab (important to get the second one) but continue to do all the above even after jabbed

If your child develops symptoms of COVID-19, they must not come to school and should remain at home for at least 10 days from the date when their symptoms appeared. All siblings must also remain at home. All other household members who remain well, must stay at home and not leave the house for 10 days, as this will greatly reduce the overall amount of infection the household could pass on to others in the community.

Anyone with symptoms will be eligible for a PCR test (the normally available test type) and this can be arranged via <https://www.nhs.uk/ask-for-a-coronavirus-test> or by calling [119](tel:119).

**Further Information**

Further information is available at <https://www.nhs.uk/conditions/coronavirus-covid-19/>

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Ralf Müller', written over a light blue horizontal line.

Mr R Müller  
Headteacher
