

Alexandra Juniors Swimming Report 22/23

Following the National Curriculum, our school provides swimming instruction either for pupils in Key Stage 2.

By the end of Key Stage 2, statutory guidance from the National Curriculum states that pupils should be able to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations

We use these objectives above to assess whether our pupils are working below the expected standard (WTS), at the expected standard (ARE) or above the expected standard (GDS).

	Percentage of children
WTS	78%
ARE	22%
