Welcome back everyone! I hope that you all had an enjoyable half term break. Eid Mubarak to all our families who have recently celebrated Eid earlier this week. This Summer term has got off to a flying start with lots of fabulous learning taking place across the school and is the busiest term of any school year.

Well done and huge congratulations to all of our Year 6 pupils who have completed their end of Key Stage 2 SATs tests. All of the children who sat the tests demonstrated a positive 'can do' attitude throughout the week and should be very proud of themselves and their achievements. We are all immensely proud of each and every one of you! Thank you to everyone involved in the planning and running of this week which enabled it to go as smoothly as possible for the children involved and to the remainder of the school for your patience and understanding during the week too. A real team effort; thank you everyone.

The children have participated in lots of sporting activities over the past weeks and new after school club activities are now available for your child to join. This term two brings lots of exciting activities for our children and I am particularly looking forward to seeing families at this term's Summer Fayre on Friday, 5th July 2024 at 2.00pm.
