Dear Applicant,

Thank you for requesting an application pack for the position of Primary SEND Teacher (KS2 SEND Provision) at Alexandra Junior School.

We are seeking a teacher with experience of working with pupils with ASC, SEMH and associated conditions such as sensory processing, developmental language disorder etc. and who is well qualified with a good understanding of SEND needs.

This is a rare and exciting opportunity to play a central role in designing and shaping a new provision from the very beginning. The successful candidate will help establish the ethos, routines, curriculum approaches and learning environment that will enable our pupils to thrive. We are looking for someone who is eager to contribute ideas, lead excellent practice and help develop a highly effective and nurturing SEND hub within our school community.

You will receive a thorough induction programme and ongoing professional-development opportunities, together with full support throughout your tenure. The children at Alexandra are superb in both attitude to learning and behaviour; the staff are hardworking and very friendly, and parents and governors are extremely supportive.

The application pack contains the job description and the person specification for the role. Should you require any further information, please do not hesitate to contact me.

Alexandra Junior School is fully committed to safeguarding and promoting the welfare of children. All staff are expected to share this commitment, and successful applicants will be required to undergo an enhanced DBS check and any other child-protection screening appropriate to the post.
